FIND A DEALER

There is no better way to decide on your perfect stove than seeing it in action.

We have carefully selected some of the best fireplace and stove retailers in the country to showcase the Clock range and we are absolutely confident in their ability to offer you the best advice on choosing and installing a new stove.

Approved Retailer Network

We pride ourselves on customer service and want you to really enjoy choosing your new stove. All our approved retailers will be able to advise you on your choice of stove, carry out a home survey, install and then maintain your new Clock stove.

Free Quotations

Your Clock retailer will offer you a free, no-obligation quotation for your chosen model including flueing and installation. You can even send them a request now by entering your postcode, clicking on your nearest retailer and completing the online enquiry form.

Fully-fitted Showrooms

Many of our retailers have fully-fitted showrooms and will be able to demonstrate your chosen product up-close and burning – the very best way to appreciate the stunning flames a Clock stove produces.
